COMPANY PROFILE

2021

About us

Subhadram Trading & General Contracting WLL is a waterproofing, floor coating, concrete leak sealing & general building maintenance company. As such, we provide various services in civil building maintenance, waterproofing, floor coatings, joint treatment, crack injection, structural steel works, AC maintenance etc. as part of construction industry.

Our highly trained and experienced technical personnel are supported by the planning and administration sections to ensure there is follow through and monitoring of all projects from commencement towards completion until handover to the client.

Quality, efficient service and execution as well as customer satisfaction are our guidelines in conducting our business.

The focus of **Subhadram Trading & General Contracting WLL** is both the quality of materials being used and the quality of workmanship effectively delivered. We believe in constant consultation with all parties involved at construction sites in order to ensure the efficient coordination of work and avoid misunderstandings. Safety is an important consideration and we have invested in high quality personnel protective equipment and regularly orient its workforce in safety principles and measures.

We have earned our credibility by being a fast and reliable source to projects such as Qatar Metro Goldline, Qatar Metro Greenline, Qatar Metro Blueline etc., with the association of Teyseer Trading & Contracting, Acciona Agua, Al-Nassar contracting, ABN Cororation Gulfar Al Misnad Qatar, Leighton Contracting Qatar, Teyseer Motors and many more they have a great role in Qatar's development.

Vision

Our vision is to provide proficient and reliable service to customers nationwide and become one of the major players in the waterproofing, floor coatings and general building maintenance sector by exercising the skills and expertise in which we are endowed.

Core Values

Quality assurance
Build Trust
Truthful Decisions
Uphold our reputation
Add Value to our clients
Respect for people
Excellence
Project delivery and reliability
Liberating the best in our people
Long-lasting and cost effective solutions

Message from CEO

I'd like to personally thank you for choosing **Subhadram Trading & General Contracting WLL** to service your needs. We established in earlier 2015 in association with our sister company, as a specialist in Structural Waterproofing, Floor Coatings, Industrial Coatings and general civil maintenance related business. As a company, we value integrity, respect and commitment to our stakeholders and customers and bring fairness, honesty and trust in our associated relationships.

Our goal at **Subhadram Trading & General Contracting WLL** is to provide our clients with value added solutions and cost effective procedures with the assurance that your asset is being protected by a quality driven contractor.

We realize the tough competition in waterproofing and general civil maintenance business but, we never compromise our quality and business ethics. Whether your requirement for our services is small or large, we give equal importance to every customer.

As we look to the upcoming years, we renew our pledge to remain committed to excellence, keep innovations, adopt better management and improved waterproofing and general civil maintenance techniques to maintain our name in market.

I take this opportunity to express my sincere thanks to the Board of Directors and the Management of the Company. On behalf of the company I would like to express my gratitude to all our Customers, Dealers, Suppliers, our Partners, Bankers, Financial Institutions, and other Business Associates and Employees for their continued and invaluable supports and co-operations and I am sure the same will be continued forever.

We look forward to the opportunity to help you protect your buildings as one of your most valuable assets while meeting and exceeding all of your expectations.

Sincerely

ALI MUHAMMAD ABDUL HASSAN AL MUHANNADI
